The Company Has an Authorized Capital of \$1,000,000, and Several Hundred People Will Be Given Employment in the Mills.

Richmond is to have another large in dustry, which will give employment to several hundred employes and will turn a large amount of capital here. The Times published recently an article telling of the proposed big paper and pulp mills to be established here. The company has been incorporated and the City Circuit Court, through Judge B. R. Wellford, Jr., has granted it a charier. The company has been incorporated under the name of the James River Falls Paper and Pulp Mills. A number of the best known business men in Richmond are identified with the new enterprise, which is expected to be another broad step in the manufacturing progress of Richmond.

The purposes for which the company is formed as set forth in the charter are to

New Orleans Races.

NEW ORLEANS, December 19.—The Palmetto Handleap, at a mile and an eighth, for three-year-olds and upwards, and valued at \$1,000, was the star number of to-day's card and proved the best race of the meeting. George Bennett's, Forbush, the featherweight of the party, landed the prize, but Handsell, of the McCafferty pair—the favorites—and Macey, finished necks apart in a drive at the end. The weather was clear and cold and the track very heavy. Not a favorite won.
